Article 5.2 – Eligible Competitors – Licences

For UK Residents - As for all events run in the UK by HERO-ERA in 2022 and beyond, all competitors whether you're a driver or a navigator are required to have a Current Motorsport UK Competition licence (or a Competition Licence issued by your country's governing body) if you don't hold such a licence you must apply for an RS Clubman licence. This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application. If you held a 2021 Licence you will need to renew it for 2022.

You will then be issued with a competition licence which will give you your competition licence number. You will also need to bring the competition licence with you for inspection at signing on or if you have a temporary number please bring the email confirmation.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

For Non-UK Residents - Non-UK residents who don't hold a completion licence from your countries governing body are unable to apply for a RS Clubman licence; however, we have negotiated with Motorsport UK to be able to issue a Historic Regularity Competitor Permit which validity is solely limited for the event in question. Due to an ongoing technical issue with Motorsport UK issuing RS Clubman licences to overseas residents they have informed us to ask you to adopt the following procedure. When the online form asks for a telephone number please enter 01869 254979 (our head office) this has to be in an 11 digit entry. When it asks for an address please enter – 138 Southern Avenue, Bicester Heritage, Bicester, OX27 8FY 9agian our head office

This will allow you to proceed, all correspondence will be sent to your email address so that's is the critical part of the application to be completed
